→ épuri Auto-Balancing Toner

épuri Auto-Balancing Toner is an ultra-rich, softening toner that delivers exceptional softening benefits and enhances the effectiveness of moisturizer and other skin care products that follow. This gentle, alcohol-free formula restores your skin's optimal pH balance after cleansing. This formula includes the finest antioxidant ingredients, 7 different vegetables, vitamin C, aloe and fruit extracts to suppress melanin formation and improve moisture balance and delivers smoother skin.

→ What Makes Our Toner Superior

épuri Auto-Balancing Toner has several different purposes. First, it balances the pH level after cleansing. The pH level in water and soap could be high as 13. This can cause bacterial and fungal infections as the optimal pH level for skin is 4.5-6.5. Second, épuri Auto-Balancing Toner prepares your skin to maximize effectiveness for moisturizers and other skin care treatments.

épuri Auto-Balancing Toner is specially formulated to stabilize pH level & protect, Detox, purify, deliver nutrients and vitamins, and provide anti-aging effects while moisturizing skin. épuri Auto Balancing Toner is truly a "Do it All" toner. Check out the ingredient lists and see the difference.

>> 7 kinds vegetables (Celery, cabbage, Tomato, Carrot, Broccoli, Rice, turnip) – These special blends of vegetables are full of natural vitamins and minerals that the skin requires. These 7 effective blends will not only supply all the nutrients you need but, it will detoxify and moisturize skin.

>> Ascorbic Acid (vitamin C) - Vitamin C or ascorbic acid acts as an antioxidant and is considered vital in healing wounds because it aids in stabilizing collagen. When applied topically, vitamin C can reduce fine lines and wrinkles and may lessen the severity of sunburns.

>> Aloe barbadensis (Aloe Vera Extract) – Aloe Vera Extracts are excellent for all-around benefits for skin care. It will moisturize your skin and maintain the optimal moisture balance. While stimulating blood circulation, tightening and rejuvenating the skin, Aloe barbadensis helps fight infections and promotes the skin's self-healing response, and soothes sunburn and other irritations.

>> Hyaluronate acid - Along with collagen, hyaluronic acid is an essential component used to fight against wrinkles and hold moisture in the skin. Hyaluronate acid is found in large quantities in the outer skin of children, but studies show that it gets destroyed as a person age. At 50, we only have 50% of our hyaluronic acid left.
